Fireworks CS4: Advanced

AD-FW-ADV-AX Rev 07.09

2 days

Description

In this ILT Series course, students will continue to use Fireworks CS4 to design images for the Web. Students will create complex images by drawing shapes and paths, working with layers and masks, and applying effects and image adjustments. Students will also develop interactive buttons, rollovers, pop-up menus, image maps, and animation.

Prerequisites

- *Windows XP: Basic or Windows Vista: Basic*
- *Fireworks CS4: Basic*
- *Previous experience with Internet Explorer or another web browser is recommended*
- *Web Design Workshop Using HTML, XHTML & CSS (Levels 1-3)*
