

Visit the refreshed Cisco NOW Van to discover today's most advanced business solutions

Join Cisco & ENS Group May 25, 2010 to explore the newly updated Cisco NOW Van and discover the latest in Borderless Networks, Video, Physical and Network Security, Unified Communications and Collaboration, and many other advanced solutions.

We invite you to experience the very best in real-world, small- and medium-sized business Cisco solutions. The Cisco Network on Wheels (NOW) mobile showcase is both educational and entertaining — and we are pulling into your city soon.

Demos that Drive Solutions Home

The newly refreshed NOW Van has recently received a complete technology facelift. The entire architecture has been rebuilt to showcase the latest and most comprehensive Cisco solutions.

Once onboard, you'll take part in interactive demonstrations of technology solutions that can sharpen your competitive edge, maximize productivity, reduce operating costs, and increase user satisfaction—just what you need to increase competitive advantage and business growth.
